

How to vote

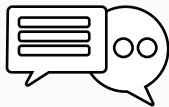

There are three different ways to vote:

In person: You will receive a polling card/letter telling you where your polling station is. You will need to show an original accepted form of photo ID to receive ballot paper/s in the polling station.

By post: If you are not able to vote in person, you can apply to vote by post. There is no requirement for you to provide photo ID. The council's Returning Officer will undertake security checks of your signature and date of birth when you return your postal vote pack. You can apply to vote by post at www.gov.uk/apply-postal-vote

By proxy: If you cannot vote in person, you can nominate someone to vote on your behalf. An appointed proxy can attend the polling station and will be required to provide their own photo ID or they can apply to vote by post. You can apply to vote by proxy at www.gov.uk/apply-proxy-vote
