

Did you know?

The UK Government has introduced an eVisa system, as part of the transition to a fully digital border and immigration system.

What is an eVisa?

eVisas are a type of biometric immigration document and can be used as an accepted form of photo ID to vote in person, at a polling station.

To use your eVisa as Voter ID, you need to:

Log in to your GOV.UK eVisa account.

Show the eVisa on your mobile phone or device to polling station staff on election day.

Find out more about your civic and democratic rights, including who can register and vote at [registertovote.london](https://www.registertovote.london)
